

FARRAGO

WATER COLLECTION -ANSEL STOOL/END TABLE

DIA 16 IN H 16 IN

Usable Sculpture would be the apt way to describe the Ansel End Table/Drum. This end table is made of cast aluminum using a technique especially developed for Farrago Design using recycled packing foam, this piece is a true original. A must in the collector's home!

Finished in a medium dark buff. Color options available in chrome, copper and patina.
