## WATER COLLECTION SOLACE MIRROR

W 48 IN      H 84 IN      D 3 IN

An extension to the solace square table, this mirror is made by using a recycled packing foam as the mold. The intense textures of the mirror frame plays the yang to the smooth grey tone mirror bringing a certain textural balance to the piece. The colors of both the frame and the mirror can be customized. Color options include patinas, chrome, copper etc.
